

# Female World Sport School Challenge

## January 26 - January 29, 2023      Winnipeg, MB

The Female World Sport School Challenge (FWSSC) returns to the ice in Winnipeg, Manitoba from January 26 - 29, 2023. This will be the tenth event since its' inception in 2013. The FWSSC is a Hockey Canada sanctioned tournament, and St. Mary's Academy is the official host school for this tournament. Top female hockey teams from Sport Schools and AAA teams across North America are invited to participate. The tournament is a showcase event where scouts from Hockey Canada, U-Sport and NCAA schools come to prospect. All games will be played at the *hockey for all centre*, a Hockey Canada Centre of Excellence designated facility.

Help us promote women's hockey and make this tournament a first rate experience for the participating teams, visiting scouts and amateur hockey fans in Winnipeg. We offer various levels of sponsorship support for the tournament. Your sponsorship support, benefits and recognition are detailed in the attached Sponsorship Category outline. Upon confirmation of your support, please complete the Sponsorship Agreement form (next page) and return the completed form to the FWSSC Manager as indicated on form.

### Sport Schools

Hockey Canada encourages and sanctions Sport Schools to foster amateur hockey and to promote and facilitate developmental programs for athletes in a school setting that balances students' academic and athletic schedules and demands. Teams train intensively and compete at a high level against prep school teams and AAA teams. The goal for these elite female student-athletes is to pursue a university education and to play college hockey. Games and tournaments, such as the Female World Sport School Challenge, are strategically chosen and organized for scouting potential and player promotion.
