

Female World Sport School Challenge

March 12 - 15, 2015 • MTS Iceplex

For the third consecutive year, Winnipeg Manitoba will host the Female World Sport School Challenge (FWSSC). The FWSSC is a Hockey Canada sanctioned tournament, and St. Mary's Academy is the official host school for this annual event. Top female hockey teams from Sport Schools across North America and Europe are invited to participate. The tournament, in its 3rd consecutive season, is a showcase event where Scouts come to prospect. All games will be played at the MTS Iceplex, a Hockey Canada Centre of Excellence designated facility.

The FWSSC is an eight team tournament featuring two local Sport School teams: Shaftesbury Titans and St. Mary's Academy Flames. They will be joined by the Banff Hockey Academy, Pursuit of Excellence Red (Kelowna, BC), Pursuit of Excellence Black (Kelowna, BC), St. Francis Xavier Hockey Academy (Edmonton, AB), Warner Hockey School (Warner, AB) and the Thunder Bay Queens.

Help us promote women's hockey and make this tournament a first rate event for the participating teams, visiting scouts and amateur hockey fans in Winnipeg. We have put together various levels of Sponsorship support for the Tournament. Your Sponsorship support, benefits and recognition are detailed in the attached Sponsorship Category outline.

Upon confirmation of your support, please complete the Sponsorship Agreement form (next page) and return the completed form to your FSSC sponsorship contact and return it to St. Mary's Academy for processing.

Sport Schools

Hockey Canada encourages and sanctions Sport Schools to foster amateur hockey and to promote and facilitate developmental programs for athletes in a school setting that balances students' academic and athletic schedules and demands. Teams train intensively and compete at a high level against prep school teams and AAA teams. The goal for these elite female student-athletes is to pursue a university education and to play college hockey. Games and tournaments, such as the Female World Sport School Challenge, are strategically chosen and organized for scouting potential and player promotion.
