

# FEMALE WORLD SPORT SCHOOL CHALLENGE 2022

**APRIL 28 - MAY 1, 2022 | BELL MTS ICEPLEX**

PRESENTING SPONSOR

**TrueNorth**  
SPORTS + ENTERTAINMENT

# Welcome!

St. Mary's Academy (SMA) is proud to host the ninth annual Female World Sport School Challenge from April 28 – May 1, 2022 at the Bell MTS IcePlex. A warm Winnipeg welcome is extended to athletes, coaches, team managers and staff, scouts, parents and friends from across North America who will undoubtedly enjoy the play of top-level female hockey players!

Female hockey continues to grow in popularity and Hockey Canada has taken a lead role by encouraging and sanctioning Sport Schools to create an environment balancing academics and sport. Since the tournament's inception in 2013 where Hockey Canada and SMA co-hosted the inaugural tournament, the evolution and growth of the tournament serves as a testament of support for female hockey. The St. Mary's Academy team community shares Hockey Canada's vision to promote opportunities for young women to "Lead, Develop, and Promote Positive Hockey Experiences." We wish all a positive experience in their hockey journey and are pleased to extend best wishes from other female players.

## Organizing Committee, Female World Sport School Challenge

"This tournament is one of those events that sets you apart from the rest. You alone are setting the foundation for the future female hockey players who are striving to be right where you are one day. Give yourself credit for that alone. I was once right where you ladies are, and now I'm continuing the movement to show female athletes that there will be more opportunities afterwards to continue their hockey career at the professional level.

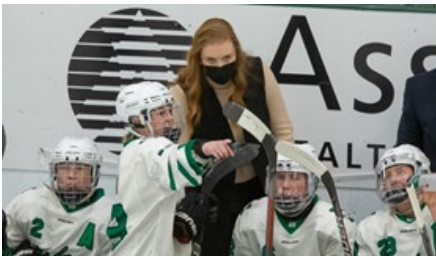

My advice to you all is to simply embrace and enjoy every moment you have throughout this journey, because it goes faster than most are aware of. Take a second to look where you are and what you're doing for the future. These type of events are the ones you're going to cherish and look back at for years to come no matter the outcome."

**Kayla M Friesen, Alumna '16**

**Assistant Women's Hockey Coach**

**UMass Boston**

**Professional Women's Hockey Player Boston Pride**

"Congratulations on the difference you are making in female hockey! If it doesn't feel that way to you right now, like you are not a part of the movement, take a look in the stands at your next game. That younger girl watching you wants to be in your skates when she's bigger, she wants to be just like you! Every female athlete is a role model to those younger, and even those older than her. Enjoy your journey and continue making strides for the game you love!"

**Christine Bumstead, Alumna '13**

**University of Saskatchewan Huskies Women's Hockey Assistant Coach**

"Welcome players, coaches, officials, volunteers, and staff. It is exciting to see some of the best U18 players across Canada come together to compete at the FWSSC in Winnipeg. This weekend will showcase great hockey, create connections, and provide opportunities to excel at the next level while creating lasting memories. Good luck to all teams, enjoy the experience. I look forward to seeing your future successes on and off the ice."

**Jessica Horton, Hockey Manitoba**

**University of Manitoba Bisons**

**University Prince Edward Island Panthers**

# 2022 FEMALE WORLD SPORT SCHOOL CHALLENGE

## TOURNAMENT RULES

### 1. GAME FORMAT

Each game will be preceded by a 7 minute on ice warm-up; puck drop will follow immediately, there will not be ice resurfacing. The length of all games will be three (3) twenty minute (20) stop time periods. The ice will be resurfaced before each period unless otherwise instructed by the event Chair. In the event that a game results in a tie at the completion of regulation time, the game will proceed to the Overtime format as detailed in item 2d.

### 2. THE TOURNAMENT WILL BE PLAYED UNDER OFFICIAL HOCKEY CANADA RULES WITH THE FOLLOWING EXCEPTIONS

- **No Change on Icings:** Teams guilty of "Icing the Puck" will not be allowed to make a line change on that stoppage of play.
- **Face-off following a Penalty** being assessed will take place in the defensive zone of the offending team.
- **Mercy Rule:** In games #1 through #18, when a team is winning by 5 or more goals at the midway mark (10-minute mark) of the 3rd period "running time" shall be played and will continue unless a difference of less than 5 goals occurs at which time the game will revert to "stop time". Penalties assessed when Mercy Rule is in effect will be run-time as well; if game play reverts to "stop time" and any penalty remaining will also revert to stop time.
- **Overtime for tied games:** All overtime periods of Games # 1 through #24 shall be played with each team at the numerical strength of 3 skaters and 1 goalkeeper.

**In the Preliminary Round games (Games #1 - #18):** the teams will have a 2-minute intermission on the ice after which a 5 minute "sudden victory" overtime period will be played with 3 skaters and 1 goalkeeper for each team. If the game is still tied then a shoot-out will take place to determine a winner. The teams will defend the same goal during overtime and shoot-out as in the third period.

**In Play-off Round games (Games #19-24):** the teams will have a 2-minute intermission on the ice after which a 5 minute "sudden victory" overtime period will be played with 3 skaters and 1 goalkeeper for each team. If the game is still tied then a shoot-out will take place to determine a winner. The teams will defend the same goal during overtime and shoot-out as in the third period.

**In the Bronze Medal game (Game #25):** the teams will have a 2-minute intermission on the ice after which a 5 minute "sudden victory" overtime period will be played with 3 skaters and 1 goalkeeper for each team. If the game is still tied then a shoot-out will take place to determine a winner. The teams will defend the same goal during overtime and shoot-out as in the third period.

**In the Championship Gold Medal game (Game #26):** the overtime will consist of a 20-minute "sudden-victory" overtime period that shall be played immediately following the completion of the ice being resurfaced. The Overtime will be played with 4 skaters and 1 goalkeeper for each team. Teams will change ends for the overtime period. If the game is still tied, then a shoot-out will take place to determine a winner. The goaltenders will defend the same goal for the shoot-out as in the overtime period.

### 3. POINT ALLOCATION

- Three (3) points will be awarded for a win in regulation time.
- In a game that requires Overtime or Shoot-out to determine a winner; the winning team will be awarded two (2) points and the losing team will be awarded one (1) point.

### 4. SHOOT-OUT GUIDELINES

- The Home Team has the choice of which team will shoot first.
- Each team does not need to name their first 3 shooters prior to start of game.
- If still tied after the initial round of 3 shooters per team the Shoot-Out will continue as a single player shoot-out.
- Any eligible player on the game roster can shoot in this next series of shots, except for players serving penalties at end of Overtime.
- Goaltenders shall defend the same goal as in the overtime period.

**\* Note to Coaching Staff:** Refer to the 2022 FWSSC Technical Package for fully detailed Rules and Regulations.
